SUBJECT

Forwards copy of correspondence with the Deputy Commissioner Kolar District, showing the cause of the heavy decrease in the amount of the rental of the Toddy Vend Farms in the Bagepally Taluk for 1896-97.

It should be suspected in the G. Secy. that the Officers who held sales should always guard against any undue Combination among the part of the local Liquor Contractors to lower the bids under circumstances favourable to Govt. to the best purchasers and in case should try to screw forward & take them up for a fair price.

Sir,

With reference to your docket No. 10830/8x. 347. dated the 12/15th instant, I have the honor to submit herewith copy of the marginally noted correspondence showing the cause of the heavy decrease in the amount of the rental of the Toddy Vend Farms in the Bagepally Taluk for 1896-97 as

1 Docket No 4982/170, dated 6th June 1896 to the Deputy Commissioner, Kolar.

2 Docket No 4911/2574, dated the 17/24th June 1896. from the Deputy Commissioner, Kolar

3 Letter No 1/1, dated the 26th May 1896, from the Sub-Division Officer, Chickballapur to the Deputy Commissioner Kolar District.

as compared with the current year. It is of utmost importance that the professional Toddy drawers (Eadigars) should be freed from the evil influences of middlemen. And that whole taluk sales should be avoided in all the taluks where no capitalists are required to work the farms. Now that Eadigars have secured the farms in the Bagepally taluk, it would be possible to realize from the next year our proper share of revenue, if what the results of the sales for 1896-97 show, be really less than what we ought to get

The Deputy Commissioner's Nos. 4605/2371, and 4606/2372, dated the 3rd instant reporting the results of the sales of the Toddy Vends Farms in the Chickballapur and Bagepalli talukas for 1896-97.

In reply has the honor to state that the results in the Chickballapur taluk giving an increase of Rs. 2940-7-6 are very satisfactory.

2. Requests to be informed of the cause of the heavy decrease of Rs 2996-4-0 in the Bagepally taluk

taluk. It is desirable that the Deputy Commissioner should go to the spot and ascertain whether it is due to combination on the part of intending bidders or to natural causes, and that a detailed report submitted on the subject.

No. 4911/2574.

His docket No. 4982/170, and Memo: No. 1026, dated 6th instant respectively

respectively amount the decrease of Rs. 2996-4-0 in the Toddy sales of the Bagepalli taluk.

With reference to the above has the honor to forward, herewith, in original Chickballapur Sub-Division Officer's report No. A dated 26th Ultimo with its enclosures which explains the cause of the decrease alluded to.

2. It is the chief aim of Government to encourage the poor Cadigars, and with this object in view the Sub-Division Officer seems to have sold the Toddy rental farmwar; and the reluctance on the part of the former contractors to bid with the object of taking the whole taluk for themselves, as also the fear which the Cadigars had to compete with their former masters, the past year's contractors seems to have been the cause for this decrease.

3. The former contractors finding that they have lost their cause,

now

now come forward to pay more and they therefore deserve no consideration.

4. Under these circumstances the undersigned sees no reason to interfere with the sales which have already been confirmed. It is apprehended that the cancellation of the sale would make the people lose their confidence in the Government.

5. Sale of farms separately in almost all the taluks has resulted in large increases in the other taluks, and the same procedure was adopted in this taluk also.

Sir,

I have the honor to inform you that the sale of the Toddy Vend Farms of the Bagepalli Taluk conducted yesterday fetched Rs. 17,403-12-0 as against Rs. 20,400 of last year as per statement enclosed.

The purchasers at last year's sales would appear to have suffered a loss and moreover at the sales yesterday there was present only one set of bidders willing to take up the whole taluk, and so there could possibly have been no competition in a whole taluk sale.
On all hands it was considered desirable to sell them farmwise to allow the poor Tadigars an opportunity to take them up, and the result was a total realization of Rs. 17403-12-0

or

or Rs. 2996-4-0 less than last year. Those who wanted the whole taluk offered at the close of the sales Rs 500 over the total realization but their offer was rejected. The enclosed sale patties would show how very unwilling the Cadigears were to compete with their former employers the last year's purchasers, although they had previously given Darkast for some of the farms. The Bagepalli and Gautamivarpalli farms had been Dastiasted by Venkatappa for Rs 170 and 58. per month respectively which were last year's figures based on the Amildar's calculation of the consumption. I would suggest the acceptance of Venkatappas bid by preference as but for his bids these shops would have had to be knocked down to last year's purchasers for much smaller sums. The deposits received by the Notification were required and credited in the Taluk Treasury

I have &c.
